

A project of

**Professional Training**

**OPEN WEEK FLIC**

**From 16.03 to 20.03.2026**

**APPLICATION DEADLINE 16.01.26**

A week entirely dedicated to discovering and getting to know FLIC Circus School. It's a week that is designed to offer participants an immersive experience within this education reality of excellence. During this period, participants will have the opportunity to explore first-hand the school's teaching methods and philosophy.

Aspiring students will be able to experience the school directly, try out a circus discipline first-hand and take part in practical workshops that will allow them to investigate their physical, technical and creative skills. This direct encounter with the school's staff will be useful for the potential candidates to fully understand the expectations and requirements needed to enter the school, getting to know FLIC and its multidisciplinary approach.

In addition to the practical sessions, there will be information meetings and in-depth moments that will allow people to discover the school's values and its mission, the organisation of the courses and the prospects that can be expected by attending the school. It will also be possible to meet and

A project of

exchange views with current students, observe their work and listen to the experiences of those who have already embarked on this path.

This orientation week is an opportunity for those who wish to get closer to the world of contemporary circus and consciously consider entering an educational context that promotes personal and professional growth.
